All the presentations were not given out on the day, still waiting for them. When I was allowed to ask questions, I asked if there were an EasyRead document that we could have. Her reply was she did not know if the document was in EasyRead.</p> <p>My other question was this British Criminal Register Bureau does not show up what people have done in their own Country. Criminal Registered Bureau (CRB) checks only counts for this Country, one could be a very nasty person in ones own Country, we as employers would not be able to pick this up. The panel could not tell me if this would change in the future.</p> <p>I have just heard about a report that family Mosaic did a self assessment on themselves, will done for doing a report before they were asked</p>
